NARRATIVE:

27 May 2004 at approximately 1906 hrs, Officer Comtois and I responded to the area of Morse St. and Doane St. for a reported white male with a firearm. The communication room gave out a description of one white male wearing a blue football jersey, gray sweatpants and a black firearm in his waistband. The white male was in the company of a black male wearing a white T-shirt and a black hat. Officer Comtois and I went to speak with the witness, while other units went off in the area. The witness explained that they observed a white male wearing a blue football jersey and gray sweatpants walking with a black male wearing a white T-shirt and a black hat. The witness went on to say that the white male lifted up his shirt and they observed a black handgun in his waistband. After hearing the description, I radioed to West Traffic car (Off. Lally) that I believed this white male was walking towards the basketball court on Doane St. A few seconds later Off. Lally was off at the court along with Detectives Erickson and Hudon. Off. Comtois and I pulled up as Off. Lally was speaking with a white male (later identified as Jared Crowley) and Det. Erickson was speaking with a dark skinned Spanish male (later identified as Gerardo Martinez). Crowley was wearing a light blue North Carolina football jersey (large number 32) gray sweatpants, and a blue backpack. Martinez was wearing a white T-shirt and black hat. I walked over to Off. Lally who was placing Crowley on the ground. Off. Lally informed me that this individual is Jared Crowley who is known to him as a convicted felon who is also known to carry firearms. Also there was a roll call announcement a few weeks ago about Jared Crowley possibly being in possession of a firearm. Off. Lally began to conduct a pat frisk for officer safety while I pat frisked the backpack that was on his back. As soon as I pat frisked the backpack I could feel a hard object, which I immediately recognized as a handgun. I removed opened the backpack and observed a large silver handgun, a black leather holster, shirt and pants. Upon further inspection the handgun was a silver Smith & Wesson 357 Magnum Model 66-2 (serial number AEC9699) and it was loaded with four rounds, which were Winchester 357Mag. The handgun was secured and Off. Lally placed Crowley under arrest and handcuffed him. Crowley was transported to the station via the wagon and booked accordingly. Dispatch was given the serial number from the firearm to conduct a routine check. Dispatch later informed me that the firearm was stolen out of Haverhill, MA and Haverhill PD confirmed this. Dispatcher Cooper ran a BOP on Crowley and it showed that he has prior felony

convictions, one of his entries from 5-14-2001 shows that he was guilty of carrying a firearm and given a one year sentence. This Officer tagged the firearm, the four Winchester rounds and the black holster per department policy. Det. Hudon photographed the tagged evidence as well as the blue football jersey, gray sweatpants and backpack. It should be noted that the witness information is being impounded for fear of retaliation.
